REMARKS

Support for Newly-Presented Claims 57-62, and the Patentability Thereof

Support for newly-presented Claims 57-62 is present in the application as originally filed.

Support for Claim 57 can be found in the specification at, for example, Page 5, lines 15-19. Support for Claims 58, 61, and 62 can be found in the specification at, for example, Page 19 line 32 through Page 20 line 4. Support for Claim 59 can be found in the specification at, for example, Page 16, lines 25-31.

Support for Claims 60 can be found in the specification, at, for example, Page 17, lines 9-12. Newly-presented Claims 57-62 contain no new matter. Newly-presented Claims 57-62 are patentable for at least the same reasons that Claim 1, as currently amended, is patentable over the prior art.

Respectfully Submitted,

Rupert B. Hurley Jr.
